He had with him a boy of fifteen, Mote, a promising weatherworker who needed training at sea, and Sava, a woman of sixty who had come to Roke with him seven or eight years before. Sava had been one of the women of the Hand on the isle of Ark. Though she had no wizardly gifts at all, she knew so well how to get a group of people to trust one another and work together that she was honored as a wise woman on Ark, and now on Roke. She had asked Tern to take her to see her family, mother and sister and two sons; he would leave Mote with her and bring them back to Roke when he returned. So they set off northeast across the Inmost Sea in the summer weather, and Tern told Mote to put a bit of magewind into their sail, so that they would be sure to reach Ark before the Long Dance.. file:///D:/Documents%20and%20Settings/harry/...0%20LeGuin%20-%20Tales%20From%20Earthsea.txt (22 of 111) [2/5/2004 12:33:30 AM]. liquid hu-hu-hu-hu that made people call them laughing owls. he knew which house his prey was in. He walked to it and flung the door open..The clouds darkened. Rain passed through the little valley, falling on the dirt and the grass. Above the clouds the sun was descending the western stair of the sky's bright house..They were both shy. When Medra took her hand his hand shook, and Ember, whose name was Elehal, turned away scowling. Then she touched his hand very lightly. When he stroked the sleek black flow of her hair she seemed only to endure his touch, and he stopped. When he tried to embrace her she was stiff, rejecting him. Then she turned and, fierce, hasty, awkward, seized him in her arms. It wasn't the first night, nor the first nights, they passed together that gave either of them much pleasure or ease. But they learned from each other, and came through shame and fear into passion.
