It was uncarved oak, black and massive, with an iron bolt worn thin with age. "This is the back door," the mage said, unbolting it. "Media's Gate, they used to call it. I keep both doors." He opened it. The brightness of the day dazzled Irian's eyes. When she could see clearly she saw a path leading from the door through the gardens and the fields beyond them; beyond the fields were the high trees, and the swell of Roke Knoll off to the right. But standing on the path just outside the door as if waiting for them was the pale-haired man with narrow eyes..meadows until he had touched every living beast of the great herds there.
