They had little trouble finding where the matthews came from. They found dozens of twenty-centimeter lumps on the sides of the large derricks. They evidently grew from them like tumors and were released when they were ripe. What they were for was another matter. As well as they could discover, the matthews simply crawled in a straight line until their power ran out. If they were wound up again, they would crawl farther. There were dozens of them lying motionless in the sand within a hundred-meter radius of the garden. pinhole drilled in one side. The pinhole was cold when he touched it with his fingers.
