Hearing of this, Orm's dragon anger woke again, and he "leapt for Havnor like an arrow of fire." There were hundreds of Truce Places on the Four Lands, where no warfare or dispute was permitted. Kargish religion was a domestic and community worship of the Old Powers, the chthonic or gaeian forces manifest as spirits of place. They were worshiped at the site and at home altars with offerings of flowers, oil, food, dances, races, sacrifices, carvings, songs, music, and silence. Worship was both casual and ritual, private and communal. There was no priesthood; any adult could perform the ceremonies and teach children to do so. His hand shook with eagerness..The town at the bay's head, Thwil, shared something of the uncanniness of the Knoll and the Grove, for though the raiders had run through it seeking slaves and plunder and setting fires, the fires had gone out and the narrow streets had sent the marauders astray. Most of the islanders who survived were wise women and their children, who had hidden themselves in the town or in the Immanent Grove. The men now on Roke were those spared children, grown, and a few men now grown old. There was no government but that of the women of the Hand, for it was their spells that had protected Roke so long and protected it far more closely now.."It is. . . so that. . . in order that it be impossible to. . . kill.".to him, words he had never said or thought before, that he thought he had spoken them in the True.Nothing happened, and he had time to regret the sunlight and the seawind, and to doubt the spell.."I was just talking, just to talk, it had no. . .".bulging pearly square when something was pressed.
